Art Display with a Cause

We have a great display of art from local artist Iver Lofving. The library hosted an artist meet-and-greet that was very well-attended. His art will be up until July 15. All of Iver's are for sale; he is generously donating half of all sales to the library. Thank you so much, Iver!

Summer Happenings at NPL

There is a full schedule of events coming to the library this summer. From story times and reading challenges to bird walks and a firefighter demonstration... Keep an eye out for our flyers that will be posted prior to events or you can call the NPL at 634-2828 for information.
