**Town Of Norridgewock
TIF Advisory Committee Minutes
June 20, 2017**

Chairman John Malek called the meeting to order at 5:03 in the conference room at the Norridgewock Town Office. Committee members Jessie Everett, Duane Gushee, Brandi Ireland, Becky Ketchum, John Malek and Sallie Wilder were present. Member Andrew Ketterer was absent. A quorum was declared. Also in attendance at all or parts of the meeting was Town Manager Richard Labelle, alternate member Ruth Keister, Mr & Mrs. Kniffin and Mr. & Mrs. Beckler.

The boat grant was mentioned by Richard, the Bureau of Conservation is coming up with a plan for a new dock/float system. There will be more to come on this. Richard will get some estimates for the gateway signage in a few weeks to present to us for next meeting. There was nothing new to report on the Rail Trail.

Mr. & Mrs. Kniffin and Mr. & Mrs. Beckler were there to ask questions on the old fire station. They asked for expenses for taxes/sewer/water. They are proposing to start a manufacturing company for their homemade herbal lotions.

The greenspace in town was discussed further. There was a proposal to install a pole for \$2,500. This would set the pole, put service in, do underground electrical and outlets. Jessie made a motion to processed, Duane Gushee gave a second, and all were in favor. The permits will be approved 7/6 at the planning board meeting. There was also more discussion about what to place in the greenspace. John proposed we stay with the wrought iron theme and possibly place a kiosk with information on it. John will bring back pricing and options for next meeting.

Next meeting is scheduled for July 25 at 5:00 at the town office.

Meeting adjourned at 6.05 P.M.

Respectfully submitted
